CERTIFICATE OF FACTORY PRODUCTION CONTROL

0761 – CPD – 0110

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of the European Communities of 22 July 1993, it has been stated that the construction products

Surface protection systems for concrete

produced by the manufacturer

Vandex Isoliermittel-Gesellschaft mbH
Industriestr. 19-23
D-21493 Schwarzenbek
Germany

in the factory

Schwarzenbek [D]

have been submitted to initial type-testing. The manufacturer carries out a factory production control and the notified body Materialprüfanstalt für das Bauwesen Braunschweig has performed an initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA.1a of the standard

EN 1504-2:2004

were applied.

This certificate has first been issued on 2009-10-05 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.
